

River 460

Small boats, big adventures!

River Boats have built high quality seaworthy boats in Norway since 1995.

The modern modular design is focusing on high levels of safety, functionality and low cost of ownership. River Boats have delivered over 12 000 boats to satisfied customers worldwide for a variety of uses.

The River 460 is s a modern, practical multi purpose boat for the entire family, or for professional use for all seasons.

The River 460 is available with or without XR steering console set incorporating a windscreen.

River Boats

River 460

River Boats, enkelt båtliv til en fordelaktig pris!

River 460 is manufactured in 3-layer sandwich polyethylene, which is extremely impact resistant and durable, as well as requiring minimal maintenance.

River Boats are 100% recyclable and sustainable. River 460 is easy to manoeuvre and has a significantly lower weight than its competitors. Low weight has positive effects such as higher speed and reduced fuel consumption.

Recognitions

We are proud members of Norboat
(Norwegian Boat industry Association)

Members of NBL
(Norwegian Boatbuilding Association)

All stability and sea trials are performed by IMCI
(International Marine Certification Institute)

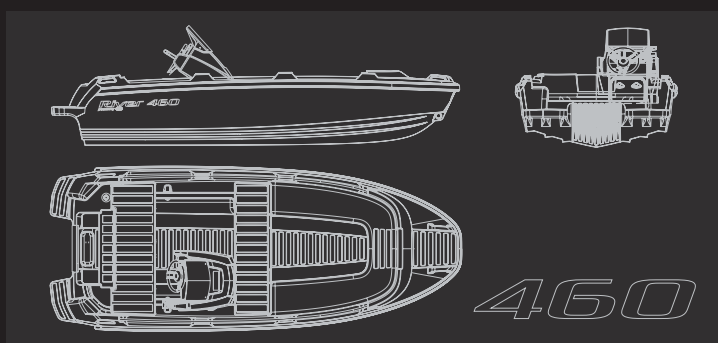

River 460 is manufactured following the strictest standards and comply with ISO 9001 og ISO 14001 by Roto d.o.o.
